The Mark White Band is inspired and driven by the call of God upon their lives to be vessels to influence their generation for His glory. Their songs are designed to be relevant and Biblical expressions of worship. Their music is continually finding new shape and expanding in new dimensions of creativity. Their songs are already being sung in a number of churches and are gaining momentum in this generation. Their hope is to see these songs used world-wide for the glory of God. Their desire is to spend their lives writing songs, leading others, and being lights in this broken and dark world - pointing people to the truth and majesty of Christ...
